

The Colonial and Silhouette double-faced porcelain enamel signs have long enjoyed top popularity with dealers, and are particularly well suited to your better outlets on high traffic streets.

These signs are shipped plain, without privilege lettering. Either porcelain enamel or decal letters shown elsewhere in this price list may be used for the privilege.

COLONIAL PORCELAIN SIGN

Size 58" x 49", double-faced. Boom not included (See below). Maximum number of letters: 2 lines of 10 letters (5½" x 6½") on each side, or a total of 40 letters, counting punctuation marks and spaces.

PLAIN BOOM FOR COLONIAL SIGN

Boom only, as shown above.

WIRED BOOM FOR COLONIAL SIGN

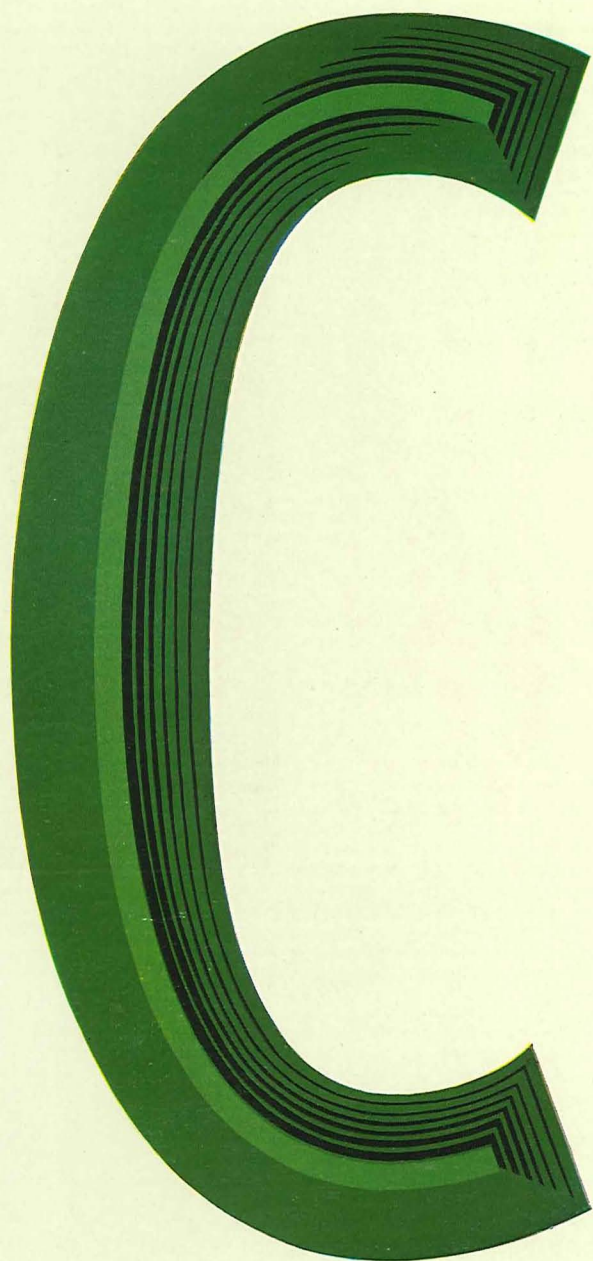

Boom, wired complete with two reflectors.

SILHOUETTE PORCELAIN SIGN

Size 36" x 52", double-faced, complete with boom. Maximum number of letters: 2 lines of 7 letters on each side—a total of 28 letters, counting punctuation marks and spaces.

Decal Privilege Letters and Numerals

Decal letters and numerals offer a satisfactory, tested solution to privilege lettering problems. They assure a uniform, legible job which is rarely equalled by hand-lettering done locally.

DECAL LETTERS

For use with Dimensional, Channel Panel, and Stamped Frame series of outside signs.

To prevent loss due to improper storage or damage, it is suggested that an initial order be placed for approximately 60 days' supply, and that reorders be placed 30 days before the stock is depleted.

Available in the following sizes as individual letters or in fonts containing assorted letters plus periods, commas, and dashes.

For fill-in orders, 5 or multiples of 5 of any letter will be shipped with a minimum order of 200 letters for the 4", 6½" and 8" sizes, or a minimum order of 50 for the 10½" and 14" sizes.
